Effect of Birth Number and Ruling Planet

There are only 9 important planets in our solar system. Similarly, there are only nine numbers by which all our calculations are made. All the other numbers are mere repetitions only. Each number is assigned to a planet, by experts in Occultism, Chaldean, Hindu, Egyptian and Hebrew.

The secret of Numerology is the mysterious law of vibrations. Your birth date can be reduced to a single digit key number. This number represents a planet. You and the planet attached to your number will have the same vibrations which lasts all through your life.

Your Birth Number is **5** .

The number 5 symbolizes the planet Mercury. It is versatile and mercurial in all its characteristics.

Being a Number 5 person, you will make friends comparatively easily. You can get along with persons born under almost any other number. Your best friends are those with your own number. You are mentally strong and crave for excitement. You can think very fast and take quick decisions. However, you are impulsive in your actions. You seem to be interested in making quick money. You are capable of inventing new ways of making money. Your special skill to speculate, make you suitable for stock exchange transactions. You do not hesitate in taking risks.

You are flexible in character. You can regain your strength, after every defeat. You will not be unduly or permanently affected by anything. Whatever be your nature, no one can make you change. If you do not take care to relax, you may get exhausted soon and be a victim to nervous breakdowns. If you absorb mental tension, you will easily become irritable and short-tempered.

Effect of Birth Number and Name Number

Let us now look at the effect of the 'Birth Number' and 'Name Number' on your character and future.

To achieve the best possible results, these two numbers should be compatible. The general rule is that all the numbers affecting your life should be in mutual agreement with one another.

In your case, both these numbers are compatible. Hence, you can feel happy and confident.

Since your name starts with the letter V, it has special significance for you

You have a desirable receptive nature. You have no limitation in learning anything new. Generally, you profit more from own experiences. Thereafter, you are able to apply them to practical use. You are most likely to attain a commanding position in life. You know how to use your power and authority with discretion.

Your 'Birth Number' is 5 and since the letter 'E' is present in your name, you will be clever enough to behave well. You can impress and attract men. You can get along easily with anyone during your youth. You think well before you do anything. No one can win over you with flattery. Neither are you unduly influenced by luxury. You have the capacity to take appropriate decisions in any situation. You can find the right solution to the knotty problems your husband may face. You will get help from many people, at the most unexpected moments. You are indeed charming in many ways. You have the ability to keep secrets. Hence it must be said that your mind is not easy to comprehend. At times though you may outwardly appear to be happy, you may inwardly be otherwise. Whatever be your troubles you may be disturbed. You will pray and meditate in silence in such strenuous situations. Generally, you are prepared to help others. Even when you are upset, you persuade and encourage the others.

Your 'Birth Number' is 5 and since the letter 'H' is present in your name, you love to lead a peaceful life. You and your husband will have a respectable position and handsome income, to lead a happy life. You may get drawn to those aspects of life which in general, women are not interested in. You can remain calm and cool even in painful situations. You can foresee the dangers your children are likely to face and give them necessary warning and guidance. You are actively interested in solving the problems of your husband and getting his desires fulfilled. You may hold high positions in Women's organisations. You can make your circumstances favourable by altering your own attitude. You will be careful about spending money. Therefore your life will be all the more happy, even in the future.

Your 'Birth Number' is 5. Generally speaking, you will acquire knowledge in many areas. Wisdom and imagination blend in you. From your early girlhood, you will realise that boys love your company. You are lovely and have an aesthetic sense. You can expect good health and long life. You will surely rise up to a very high position by virtue of your hard work, irrespective of your background. You will develop good social contacts. By nature, you are tactful and capable of quick decisions and action.

You are never free from feelings of guilt and anxiety. You should try to appear self confident. Excitement and vacillation are perhaps your inborn drawbacks. You are easily susceptible to temptations. You will be a victim of flattery, whatever be position. You love to make money without much effort.

As you are born on the 14th, you will be fond of travelling. You may run into financial troubles, at times. You are likely to accumulate movable properties though you may not be in need of it. You should care over your health, until you are 14. You will not have any trouble in getting help

from others, when in real need. Fortune will never forsake you. However, great a position you occupy, you will always remain loyal to members of your family.

The Effect of Fate Number and Compound Fate Number

In calculating your 'Fate Number', the MONTH and YEAR of birth are also considered whereas 'Birth number' is calculated from the Date of birth only.

The basic single fate numbers, 1 to 9, represent worldly aspects. This number denotes what you appear to be in the eyes of your friends, colleagues and those you deal with closely. But the double or compound fate numbers represent the hidden influences that play behind the scene. Your destiny or future can be better understood by analysing such compound numbers. So they are said to denote the spiritual aspects. Your birth number gives information about the physical and material side of your life. While the fate number reveals more of occult or spiritual side of your life. The findings based on your 'Compound Fate Number' are as follows:

Your 'Fate Number' is 7 and your 'Compound Fate Number' is 34. This number brings you strength gained through experience. You will learn a lot in life by observing the behaviour of people and the universe at large. No doubt, you will become successful. But you have to undergo a long period of strife and trials in your life. While planning your future, if this number appears, it is indeed a sign of fortune.

You may not experience any financial problems, as school girl. If necessary, you are capable of adopting even crooked ways to make money. But you know that what you earn by fair means only will last. Your love life may be spotted with problems. You are not sufficiently far-sighted. You will certainly gain, if you stick to a job long enough. You can expect only envy and suffering from your relatives. However, you will have at least a few sincere friends. As a mother, you will have to struggle, to make your family life happy.

The Effect of Name Number and Compound Name Number

The sages of ancient India brought forth the theory for the first time, that letters of the alphabet are related to numerical figures. A theory popularized through the English language by Western Numerologists. Thus, each letter of your name spelt in English is assigned a numerical value. All these numbers are added to get your NAME NUMBER. One can predict your personality characteristics, on the basis of your Name Number and its Compound Name Number.

Your 'Name Number' is 6 and 'Compound Name Number' is 24. Hence you will be given importance wherever you go. You will soon become qualified for promotions. You can be an efficient house-wife. You will marry a man comparatively superior to you, from many angles.

24 is a fortunate number, from all angles. People in good positions of authority will readily give approval to your plans. You will gain on account of your love affair. If this number is associated with any of your future plans, you can be sure of a smooth progress. You can feel confident.

Married Life

Since your 'Birth Number' is 5, everyone is compatible for you, whatever be their birth number. But the most auspicious ones are 5 and 9. You may begin a love affair which would probably end in happy marriage. If ever you fall in love, you will be a steadfast partner. You would not play any psychological game of hide and seek in your life before or after marriage.

Health

You may suffer from sleeplessness. You are susceptible to nerves problems, if you do not take care to relax. Yogic exercises right from your early girlhood will be good for you. Take precautions against asthma, drowsiness, bronchial complaints and shivers. You should find time for rest, even during your work at office or home. Include carrot, bread, cereals and almonds in your diet. During the months of June, September and December, you should plan periods of rest and leisure. Significant changes are likely in your health at the ages of 14, 23, 41 and 50.

Profession

It is impossible for you to continue in one particular profession or location for long. But this does not mean that your life will be a failure because of frequent changes from time to time. You are a woman, who can tactfully overcome any obstacle in your way. You will take an active interest in

art and publication of books. You can make money by being a good commission agent, broker or business representative. With your husband's collaboration and encouragement, you may engage yourself in small industries or in the self-employment sector.
