Bhava Predictions

Personality, physical structure, status

The first house of the horoscope represents the personality characteristics, physical structure, status and fame of the person.

Based on the position of Lagna the following characteristics may be present in your personality. You are: strong-willed; secretive; purposeful; vindictive; cunning; determined; wordy; tenacious; adaptable; ambitious; flamboyant; a perfectionist; nervous; self-doubting; talkative; hardworking. You are capable of soft words and kind speech. You are interested in the welfare of the elderly. You are generally worried. You may sound bombastic. You will have problems in your marriage because you are too much of a perfectionist. You also tend to speak without thinking of the consequences of what you say.

Since your Lagna lies in the first Drekkana of its house, you will have success in speculation. You will earn money through your shrewdness and foresight. You'll have big plans but you may abandon some because they are not practical. Be careful and trust people only after thoroughly investigating their credentials. You will do well in plans and projects that bring you in contact with the public. Investments connected with mining, precious stones, and crystals, as well as factories will prove advantageous. The important years in your life are 20, 21, 30, 31, 40, 45 and 50.

Your ascendant lord is in the 12th house. You are likely to be a spend-thrift. You are a dual personality, and the two facets of your character must be brought together in order to function in society. If not, you will tend to send mixed signals to people. You do not do well by gambling. You will do well in the field of academics or education. Business dealings will not be very profitable for you. You enjoy spending money, time, and effort on other people. Therefore, you will do well in public service.

Since Mercury is seen in the first house, you are a charming conversationalist. You will be learned, disciplined, and wealthy by own efforts. You will also be long-lived.

Since Venus is in the first house, you will be scholarly. You will be a devoted partner and enjoy romance. You will love children.

Jupiter aspects Lagna. You give importance to wearing good, clean dress and choosing good words in conversations.

Wealth, land and properties

Land and properties, wealth, family, speech, food and skills are some of the important topics highlighted by the second house in a horoscope.

As the 2nd lord is in the 12th, you are likely to be adventurous. You will probably not have a lot of money, but you'll be interested in wealth. You may have worries or problems due to your oldest brother, or oldest child. You yearn for love and consideration. Your greatest difficulties will be due to misplaced trust. You see much to criticize around you. Your income may be through religious trusts or organizations. In all probability you will become deeply involved with the government.

Since the Sun is in the 2nd house, you will be happy and wise. You will have an interest in agriculture or animals. You may not wish to make a lot of money, regardless of how much you are encouraged to do so.

Since Rahu is positioned in your 2nd house, fluency of speech may be affected. There will be something remarkable about your face. You will be sensitive. You may make money from the government.

Since Moon aspects the second lord, you will be interested in arts and performances.

Since the second lord is aspected by the seventh lord, there are chances of your gaining wealth supported by your life partner.

Siblings

Third house in the horoscope mainly refers to siblings, courage and cleverness .

Since the 3rd lord is in the 5th, you will be respected in your community. You will have a purpose in life. Your married life will be happy as you and your spouse will usually forgive and forget everything, even the most cruel confrontations. Anyone who deals with you will sense and respond to your desperate need to be appreciated and helped. You will be highly benefited by your brothers. You will do well in agriculture, and will be welcomed by a rich family.

Marriage etc.

The various aspects of your married life are influenced by the 7th. house.

Your 7th lord is in the 6th. You will have very clear ideas regarding the woman you would like to marry eventually. But you will be secretive about romance and romantic attachments. Even though you know what you want, you are nervous about commitment, and you will waver before making a promise. You may marry your childhood sweetheart. You are a good judge of other people. Your dealings with colleagues and assistants will be appreciated. You will maintain discipline within your office, factory, or site. You will be a proud father and will enjoy travelling with your wife and children.

A person from the west could make an ideal partner for you.

Apart from the above, you should be happy to note that there is a beneficial influence of Jupiter on Venus and this reduces any bad effects predicted otherwise.

Profession

Verse from Phaladeepika says that the tenth house indicates Vyapara (commerce), Aspada (rank or position), Karma (acts, occupation, profession), Jaya (success), Kirti (fame), Kratu (sacrifice), Jeevana (livelihood, profession), Vyoma (sky), Achara (conduct), Guna (good qualities), Pravritti (inclination), Gamana (going), Ajna (command)

According to Sarvartha Chintamani, from the tenth house, the astrologer should judge occupation, command, authority, fame, rain, life in foreign lands, performance of sacrifice, esteem, respect, means of livelihood, profession, the knees and the servants. An analysis of the tenth house, lord of tenth house, planets in tenth house, position of Sun and Moon are analysed below to get an insight into the professions astrologically indicated for you.

In your horoscope, the lord of the tenth house is placed in the lagna.

Verse from Brihat Parasara Hora indicates that as the lord of tenth house is placed in lagna, you will be learned, famous and wealthy. You have poetic talent. Although sickness is indicated in the early age, wealth and happiness are bound to increase as years go by.

The tenth house is Libra. It is an airy sign ruled by Venus. It is a sign denoting foresight and judgement. It is most suited for business. It also denotes valuers, money changers, pawn brokers, hire purchase business and legal profession.

Fields where you can achieve success are music, film and television, paints, cotton, jute, textiles, perfumes, toiletries, silver, sugar, nursery, gardening, floriculture and forestry. You can become a successful airline officer, pilot, play back singer or music director. The sign of Libra is ideal for a successful career in the judiciary.

It is important to note that there are no planets positioned in the tenth house from Lagna, Moon as well as the Sun. Hence we shall study the effect of the lord of the Navamsa occupied by the tenth lord. This will give additional clues as to the type of occupation ideally suited for you.

Moon is the lord of the Navamsa occupied by the tenth lord. This indicates that you can achieve success if you deal with items derived from or connected with water. For example, ships, pearls, sea products, aquaculture, bottled mineral water, water purification etc. You will also shine in fields connected with agriculture, floriculture and horticulture. Other areas ideal for you are garments, fashion design and textiles. You will have creative abilities which can help you in drawing cartoons or writing and enjoying humour. Your friends will admire your speculative nature.

Apart from the above analysis based on the planetary positions in the horoscope, some general guidance can be derived from the birth star itself. Occupations suggested for your birth star are related to the following.

Book sellers, clerical jobs, posts & telegraphs, communication departments, cellular phones, pagers, transport sector, atomic energy, media, creative and copy writers, information gathering, publicity departments, public relations, packaging, human resource development, finance, portfolio management.

Jupiter aspects the tenth lord. This strengthens the good effects indicated earlier.

However, authentic books on astrology gives several rules of exception by which Kuja dosha can be considered as nullified. A proper analysis on this basis is given below to see if there is Kuja dosham in your horoscope or not.

In this horoscope, Kuja (Mars) is in the Fourth house.

This position gives some dosham.
However, since the house is Mesha - Mesha the Kuja dosha is nullified.

Rahu Dosha & Ketu Dosha

Rahu and Ketu are shadowy planets. Their movement is interrelated and as parts of one body they are at all times just opposite to each other but keeping in view of aspect (drishti), they can be regarded together.

In general, Rahu carries the positive and beneficial tone of Jupiter and hence stands for growth and development and self help while Ketu expresses the restrictions and obstacles of Saturn and hence thought to restrict growth. In this way Rahu represents positive objectives and Ketu denotes the easy way out with little opportunity for growth.

Thus Rahu signifies materialism and desires, whereas Ketu signifies spiritual tendencies and process of the refinement of materialization to spirit but obstacles in the material realm. Rahu is considered to be vile, deceitful and dishonest.

Rahu Dosha
